

Region 3 GPRA Baseline RCRA Corrective Action Facility

Kelly-Springfield Tire

**Kelly Road
Cumberland, MD 21502
Congressional District 6
EPA ID #: MDD003060217
Last Updated 06/30/2003**

Current Progress at the Site

This facility is one of EPA Region III's high priority RCRA corrective action sites. EPA and EPA's contractor recently conducted an Environmental Indicator (EI) inspection at this facility and determined that additional information needs to be gathered in order to determine if the EIs have been met.

EPA Region III developed a work plan for the purpose of collecting additional environmental data at the property. Field work was completed during the week of June 23, 2003. This new data will be used to complete the environmental indicators for this property.

Site Description

The Board Of County Commissioners of Allegany County, Maryland, purchased the Kelly Springfield Property in June 1991 from the Maryland Economic Development Corporation (MEDCO), which purchased the property from Kelly Springfield in 1987. At that time all manufacturing operations were discontinued. Demolition activities are ongoing and the site has been subdivided and is being sold for redevelopment.

Kelly Springfield Tire Company purchased the property in 1917 and manufactured rubber tires. Between 1941 and 1942 the facility was converted to produce 550 caliber shell cartridges for the army.

Site Responsibility

RCRA Corrective Action activities at this facility are being conducted under the direction of EPA Region 3 with assistance from the State.
